Dear Sir,

Though it is more than 20 days since the sample furniture were despatched to Bangalore, the receipt of them has not yet been acknowledged so far.

I hope you have received them in good condition and found them satisfactory.

I have to inform you in this connection that as the sizes of wood used for these furniture are unusually thick, the prices of some of these have actually worked out more than the estimates given to you and the minimum rates at which we could supply them

are noted below and I request you to kindly treat these as our estimates in contravention to the original ones already submitted with our No.856/455 dated 1st October 1927.

I beg to be excused for the trouble,

Yours faithfully,

Superintendent-in-charge.
